| Public                                                                                                       |                |         |                |
| Visible on your organization's profile on the CDP website.                                                   | B              | -       | B              |

## Category scores

Category scores are combined to produce your overall score. Some categories have a higher weighting than others to reflect their importance, which varies depending on your sector. Not all categories are relevant to every environmental issue. [View scores guidance](#).

| Category name                                           | Climate change | Forests | Water security |
|---------------------------------------------------------|----------------|---------|----------------|
| Business Strategy                                       | B              | -       | B-             |
| Commodity Visibility and Reporting                      | -              | -       | -              |
| Context                                                 | A              | -       | -              |
| DCF Status                                              | -              | -       | -              |
| Dependencies, Impacts, Risks and Opportunities Process  | A              | -       | C              |
